BONDS:

Each proposal shall be accompanied by a **Bid Bond, Certified Check, Cashier's Check or Bank Money Order payable to the Director of Revenue—Credit State Road Fund** for an amount equal to **Five (5) Per Cent of the amount of the BID** submitted, as a guarantee that the bidder, if awarded the contract, will furnish an acceptable **performance and payment (Contract bond)** or a cashier's check, a bank money order or a certified check made payable to "**Director of Revenue—Credit State Road Fund**" in an amount equal to **One Hundred Percent (100%) of the contract price**. If a BID BOND is used (in lieu of a certified check, cashier's check, or bank money order), it must be in the form provided and executed by the bidder as principal and by a surety company authorized to do business in the **State of Missouri as surety**. The agent executing the same on behalf of the surety company must attach a current **Power of Attorney setting forth his authority to execute the bond involved**.

Certified checks, Cashier's Checks or Bank Money Orders of unsuccessful Bidders will be returned as soon as the award is made. The checks or bank money orders of the successful bidder(s) will be retained until the contract is executed and a satisfactory **Performance and Payment (Contract Bond)** is furnished. Bid Bonds will not be returned except on specific request of the bidder.

Failure to Execute Contract

Failure to execute the contract and file acceptable performance payment (Contract Bond) or cashier's check, bank money order or certified check within **15 days** after the contract has been mailed to the bidder shall be just cause for the cancellation of the award and the forfeiture of the proposal guaranty. Award may then be made to the next lowest responsible bidder, or the work may be re-advertised and performed under contract or otherwise, as the Commission may decide. No contract shall be considered effective until it has been executed by all parties thereto.
